FAQ

- What services do you offer as a wedding planner?

We offer comprehensive wedding planning services, including full-service planning, budgeting, mood boards, vendor coordination and many more, on the day coordination only, and custom packages to suit your unique needs.

- How do I get started with your wedding planning services?

To begin, you need to have a confirmed booking in one of our venues and our sales team will be pleased to introduce our Sacra Team with you and your partner. We'll then schedule a consultation call to discuss your vision, budget, and specific requirements.

- Can you help me find and book vendors and help us with F&B matters?

Absolutely! We have an extensive network of trusted vendors and suppliers, and we will assist you in selecting the perfect Band & DJ, caterer, florist, photographer, and many more. In addition to that we have an excellent in-house catering company that is comparable to the best on the island, and we will assist you in selecting the best of our food and beverages for you and your guests.

- What is the average cost of hiring a wedding planner and what does a wedding cost in your venues?

Our fee is 35,000,000 IDR for a team of an experienced senior planner and one assistant. We'll provide a custom quote after our initial sales consultation and will finalize that budget. Then once you are committed with our Sacra Team to make sure everything is within your budget, we ensure no hidden costs pop up during your planning process.

- How can you help us stick to our budget?

We are experts in budget management and can provide cost-saving tips, negotiate with vendors, and keep your spending on track throughout the planning process.

- Will you be present on the wedding day to coordinate everything? If yes, how many of your team members will be present?

Our service includes full coverage with our team members on your wedding day. We will be there to ensure your day goes smoothly. The amount of our Sacra team members on the day depends on the size of your wedding and the needs you might have with parents, in-laws and other special requests, but normally four to six team members are on site.

- How far in advance should we book your services?

It's best to secure your wedding planner at least 9-12 months before your wedding date. We like to secure the main vendors, such as H&MU, photographer & videographer, florist and DJ / band, as soon as possible to make sure you don't miss out on your most favorite vendors. Our "real" planning normally starts 6 months prior to your wedding date. However, we can accommodate shorter timelines if necessary.

- Do you have experience with cultural or themed weddings?

Yes, we have experience with a wide range of wedding styles and cultural traditions. We'll tailor our services to your specific requirements. Swagatam, Vadhu Aagman, Tea Pai or Balinese blessings are no foreign terms for us and our venues.

- What sets your wedding planning services apart from others?

Firstly, our dedication, attention to detail, and personalized approach set us apart. Secondly, we are committed to making your wedding day truly unforgettable. Finally, we know our venues inside and out and we know what is possible and what is not.

- Are there any hidden costs we should be aware of?

No hidden costs! We believe in transparency and will clearly outline all expenses in your contract and throughout the whole process of the planning. All tax and service fees are already included in our pricing.

- How do you handle unforeseen challenges on the wedding day?

We are well-prepared to handle unexpected situations, from weather changes to vendor issues. Our team is experienced in problem-solving and ensuring your day runs smoothly. In addition to that we have a whole Resort & Villa team behind us, who we have worked closely with for a long time, and we are confident to say that everyone of our fellow resort members are willing to help wherever they can.

Rates

- Event Planning Services is IDR 35,000,000 per event. If pre- and post-events are required, an additional of IDR 12,500,000 per event is applicable.
- On the day coordination only, fee is IDR 20,000,000.

*Government tax is included

Payment & Deposit

- 50% deposit is required to confirm the wedding planning service and it is nonrefundable
- 50% deposit based on the project proposal/estimate is required in advance of services. Deposits will apply toward final service fees. Deposits are nonrefundable. At its discretion, wedding planner may require payment in full in advance of services in some instances
